S K SANJEEVAN

Chennai, Tamil Nadu | +91 9894283159 | sanjeevansks2@gmail.com |sanjeevansk.linkedin

Aspiring Generative AI Engineer with strong foundations in Python, Machine Learning, and Deep Learning. Hands-on experience building AI-powered chatbots, LLM-based summarization systems, and ML prediction models. Passionate about developing scalable, real-world AI applications using NLP, Transformer models, and automation tools.

TECHNICAL SKILLS

- **Programming Languages**: Python, C, MySQL, PHP.
- **Frontend Technologies**: HTML, CSS, JavaScript
- **Frameworks & Tools**: Git, GitHub

PROJECTS

BrainyEduBot – AI Study Companion

- Built an AI-powered Telegram bot that summarizes text and PDF documents into concise study notes using LLM-based processing.
- Implemented automated PDF text extraction and real-time AI response generation.
- Designed an interactive chat interface enabling on-demand academic assistance for students.Integrated API-based LLM services to enhance summarization quality and contextual understanding.

INTERNSHIP

Data Science & Machine Learning Intern | Virtual Tech Services

- Built and evaluated a supervised machine learning model for diabetes risk prediction using health parameters such as BMI, age, and glucose levels.
- Performed end-to-end data preprocessing, feature engineering, model training, and performance evaluation.
- Integrated the trained ML model into a Telegram bot for real-time risk assessment and personalized health recommendations. Improved prediction reliability through model tuning and validation techniques.

Web Development Intern | Calanjiyam Consultancies and Technologies

- Developed a role-based turf booking system using PHP, MySQL, HTML, CSS, and JavaScript.
- Implemented secure authentication, session management, and booking status workflows -Pending, Approved, Rejected.

Designed dynamic date and time slot validation with real-time booking updates. Built a structured database schema to manage users, bookings, and availability efficiently.

EDUCATION

B.Tech – Artificial Intelligence and Data Science.
Sri Sairam Engineering College – Chennai.
CCPA:8.40

CERTIFICATIONS

- NPTEL – Introduction to Machine Learning certificate.
- NPTEL – Python for Data Science certificate.
- Forage – Data Analytics Job Simulation certificate.
- NPTEL – Design & Implementation of Human-Computer Interfaces certificate.
